MEMORANDUM FOR: Director of Security

25X1A9a ATTENTION : [redacted]

SUBJECT : Proposed DCID 11/2

1. The attached file contains subject proposed DCID and related background information. Although the Deputy Director (Administration) has concurred with this proposed directive, he desires that you review the paper and supply your concurrence and/or comments.

2. Specifically, Colonel White would like your views with regard to paragraph 3.c., "Security Agencies Only." This paragraph has been revised from the original draft, pursuant to the qualification stipulated by the Deputy Director (Intelligence) in his concurrence. In this connection, Colonel White wonders whether the listed Executive Agencies are, in fact, recognized as "Security Agencies." It may be that in carrying out the requirement of the Deputy Director (Intelligence) that paragraph 3.c. cover all the regular participants in the National Security Council, the original scope of "Security Agencies" has been lost or modified. In any event, Colonel White would like your views as to whether the listing is complete and correct as related to the control stamp "Security Agencies Only."

3. My personal hunch is that the original intent was to limit dissemination of certain information to Security Agencies only, as defined in the original draft. The Deputy Director (Intelligence) appears to have broadened this to include all participants in the NSC. If there has really been such a shift in the significance of this dissemination control stamp, it might be better to change the stamp to read "NSC Participating Agencies Only."
